

NEBOSH International General Certificate In Occupational Health & Safety (UK)

NEBOSH International General Certificate in Occupational Health and Safety (IGC) covers how to effectively manage health and safety, and how to identify, reduce and control the key hazards in every kind of workplace. Risk assessment is central to the IGC qualification making sure it reflects the real-life roles people perform.

It's designed to reflect the needs of today's employer giving learners everything they need to **know and do** to make their workplace safer.

Baitau Partners is a leading HSE training company in Kazakhstan. The Company successfully work from 2007 and have offices in Atyrau, Aktau, Nur-Sultan, Almaty.

Who's it for?

- Relevant to every workplace
- Ideal for managers, supervisors and anybody with health and safety management responsibilities
- Perfect for those who want to develop a health and safety career with a valuable, globally respected qualification from NEBOSH

The NEBOSH International Certificate is widely respected by employers worldwide and meets the requirements for Associate/ Technical Membership of IOSH (AIOSH/ Tech IOSH).

The benefits of NEBOSH qualification:

TO SPECIALIST

You will be able to:

- justify the need for health and safety improvements;
- advise on duties for health and safety in the workplace;
- help your organisation to manage contractors;
- work within a health and safety management system;
- positively influence health and safety culture and behaviour;
- carry out a general risk assessment (using a 5-step approach) of your workplace;
- recognise workplace changes and their impacts and understand how to minimise these impacts;
- develop basic safe systems of work that include emergency arrangements and know when to use a permit-to-work system;
- take part in incident investigations;
- help your employer check the effectiveness of their health and safety management system through monitoring, auditing and review.

TO EMPLOYER

It can help to:

- Minimise workplace injuries and illness
- Boost employee wellbeing
- Demonstrate your commitment to health and safety, which can help win business
- Strengthen your health and safety culture
- Ensure your organisation has valuable in-house health and safety expertise

ASSESSMENT

To get NEBOSH IGC Certificate you need to pass two Units exams (IG1, IG2).

IG1

IG2

Unit IG1

is assessed by a two-hour written examination. The written exam consists of 11 compulsory questions, each of which requires a full written answer.

Unit IG2

is assessed by a practical assessment carried out in your workplace. Both assessments are marked by external examiners appointed by NEBOSH.

Pass standards

Unit IG1 45 marks

Unit IG2 Pass

A 'Pass' must be achieved in both units to achieve the International General Certificate in Occupational Health and Safety.

Qualification grades

The qualification grade is based on the result from Unit IG1

Distinction:	75 marks or higher
Credit:	65 - 74 marks
Pass:	45 - 64 marks

Completion of a course

After successfully completing the course and passing two exams student will get the NEBOSH International Certificate
